

IFF Memorial Fund Scholarship
History
IFF Memorial Scholarship Fund

When the son of a prominent IFF member died in an aircraft accident during the early 1970's, many memorial donations were received at the IFF office. The IFF Past Presidents as a group decided that a separate not for profit organization should be established to benefit lineal descendants of IFF members with college completion scholarships.

The organization was established as an IRS 501 (c)(3) charitable organization and would be administered by IFF Past Presidents. The organization would be known as the IFF Memorial Scholarship Fund. IFF Past President Tex Anderson was elected from the Past Presidents group to become president of the new organization. Tex led the IFF Memorial Scholarship Fund for many years until his death. IFF Past President Sheldon Kongable then succeeded Tex for several years. It should be noted that Tex performed a remarkable service to the new organization, shepherding it through its formative years and into a time when the Fund could provide scholarship awards on an annual basis.

In strict accordance with requirements of IRS 501 (c)(3) organizations, should the IFF Memorial Scholarship Fund cease to exist for any reason, whatever remaining funds of that organization must be transferred to another eligible IRS 501 (c)(3) entity.

The IFF Memorial Scholarship Fund accepts memorial donations from IFF members and friends to advance the funding of an annual scholarship award to be selected by a disinterested third party from among eligible applicants.

For many years King Radio Corporation provided an annual college completion scholarship and King handled the selection process for their recipient. The IFF Memorial Scholarship Fund, therefore decided to have its scholarship be awarded to the runner up candidate for the King scholarship. When King discontinued its scholarship program, the IFF Memorial Scholarship Fund sought out and obtained the services of a professional person to make its selection. The professional who provides this service has no connection to an IFF member, his/her family or any member of the IFF staff.

A bronze Memorial Plaque is installed in the Mid-America Air Museum, located in Liberal, KS, as part of the Aviation in American Agriculture Exhibit. Since 2009 individual memorial nameplates have been

added to this plaque whenever total donations to the IFF Memorial Scholarship Fund are made in memory of a particular IFF member and equal or exceed \$150.
