Good day Flying Farmers!

Art and I have just survived a very busy past 10 or so days. I graduated from Marion Harding High School in 1959 and this year is our 59th year since graduating. Knowing we're getting well, you know, we decided to instead of having a 60th reunion, we'd have a 59th. We had 100+ classmates/friends Saturday and Sunday. We survived.

Art worked and worked and worked some more to make it perfect. On Saturday night I had him stand in front of everyone while I told them some of the things he had done -- I then had him turn around with his back to the audience while we put a large Superman cape on him. Everyone stood and applauded. He is a Super Man!

This past weekend was spent with our Flying Farmer friends in Van Wert, OH. If it's planned by **Don Leis**, it's going to be perfect. It was planned by Don Leis! Read the magazine article **Florence Lutes** has written to know what we did.

Long-time Ohio members can remember teeny-bopper **Colette Noffsinger Brown**. She is no longer a teenager but her smile and personality are still the same AND she accepted the challenge of becoming Ohio's Vice President. Congratulations to **Colette**! Her email is ... alwayscmb@gmail.com

We remembered those who have left us this past year ... Ohio's **Barb Wadley, Walter Noffsinger, Gary Conklin, Bob Lyme, Indiana's Elaine Smith, Bessie Hagerty, Illinois' Charles Allen**. *"Death leaves a heartache no one can heal but love leaves a memory no one can steal."*

We just received this notice:

Anita Meyer
GIBSON CITY — Anita M. Meyer, 87, of Gibson City died Sunday (Oct. 14, 2018) at home. Funeral arrangements were incomplete at Rosenbaum Funeral Home, 925 N. Illinois 47, Gibson City.

There were 30-something in attendance and when it was time to swear in officers, nearly everyone stood! **IFF Secretary-Treasurer Diana Billheimer** did the honors of swearing us in. Thank you, **Diane!**

Note from Diana Billheimer, IFF Sec/Treas.

"Thank you to the Ohio Chapter for my room and registration for your Region 3 Convention. The tours were very interesting, even the making of tile, which I only dream of having that much water in Colorado to need tiles in the field. Friends like all of you are a rare treasure. Thank you for all you did to make the convention a success. **Diana**"
