Schedule for Friday, June 12, 2020

We have a tour of Schweitzer Engineering Lab (SEL) scheduled at 1:00 pm on Friday. If you plan to go on the tour, you will need to meet the group at 11:30 for a no-host lunch at Arby's 1686 South Grand Ave, Pullman. We will car pool from this point as there is only room for 10 guest cars to park at SEL. The car pool will leave Arby's at 12:30. The tour will end just in time for you to check into the hotel at 2:30.

Schweitzer Engineering Lab is a major employer in the Pullman area. They manufacture microprocessor-based protective relays to make electric power safer, more reliable and more economical. These are sold internationally. This is a secured facility, so we need your first and last name of each person going on this tour. There is a place for this sign-up on the registration form below.

Banquet at 6:00 p.m.

A buffet prime rib dinner and program honoring the IFF Woman of the Year for 2019 – 2020, Colene Sager, will be held in a room next to the restaurant in the Coast Hilltop Inn. The registration for the banquet should be mailed by June 1, 2020. The registration is attached below.

Saturday, June 13

Complimentary breakfast included with lodging. Check-out is at 11:00 am.
