

IFF CONVENTION 2021

I am sorry to have to report that after a zoom meeting between officers and directors, it has been decided to cancel the convention in Mitchell, SD for this year. With the Canada/U.S. border still being closed and the uncertainty of getting food ordered and delivered on time for the convention, we feel it best to go ahead and cancel the convention as well as any gathering at this time.

I know there will be a lot of disappointment again, but we all felt this was the only choice we had. On a brighter note, I have begun looking into possibly a convention/workshop, for the end of January, first part of February in Alabama.

I want to thank everyone who has supported me and given me lots of encouragement the last couple of years trying to keep the annual conventions going. We all just need to keep looking forward with a smile on our faces.
